ADOPTIUM[®]

Adoptium® Marketplace

Java™ is the world's leading programming language and platform. The Adoptium Marketplace promotes high-quality, TCK certified and AQAvit verified runtimes for use across the Java ecosystem.

The AQAvit open source test suite (**Adoptium Quality Assurance**) can be found [here](#). There is also [documentation](#) that explains what testing is run and how AQAvit verification fits into the overall delivery pipeline.

Operating System	Architecture	Package Type	Version
